### OUR DIFFERENTIATORS

- Strong focus on bridging generational gaps through storytelling
- Unique familial connection to Gee's Bend quilters and Clotilda legacies
- Proven track record with over 6,000 books sold, including "Pearl and her Gee's Bend Quilt"

### WHO WE ARE

Learning Advantage Network Diversified, LLC, founded in 2020, is dedicated to preserving and celebrating cultural heritage through educational consulting and storytelling. We offer unique children's books like "Pearl and her Gee's Bend Quilt," which highlights the rich history and legacy of the iconic quilts. We are commitment to education and cultural preservation. Every family has a story and with over 6.000 books sold, Pearl and her Gee's Bend Quilt is not just promoting an appreciation for African American heritage and the art of quilting. The book is sparking curiosity and a journey of self discovery to uncover what makes every family special.
